

CHANEL'S CATTERY

ABOUT OUR BREEDING PROGRAM

Thoughtfully raised British and Scottish kittens for loving companion homes.

OUR BREEDS

We specialize in British Shorthair, British Longhair, Scottish Fold, and Scottish Straight kittens. Our program focuses on the beautiful round features, plush coats, affectionate temperaments, and distinctive characteristics these breeds are loved for.

COLORS WE OFFER

- **Golden shades** - including golden chinchilla/shaded lines
- **Blue** - classic solid blue and select blue-based combinations
- **Lilac** - soft dilute coloring in select pairings
- **Chocolate / brown lines** - available through select pairings
- **Fawn and tortie shades** - including dilute and tortie combinations
- **Tabby / spotted patterns** - in select British and Scottish lines
- **Colorpoint** - including blue point in select litters

Color availability varies by pairing and litter; not every color is available at all times.

HEALTH TESTING & WELLNESS

Health is an important part of our breeding decisions. Our program uses breed-appropriate health screening and genetic testing as indicated for our lines, including blood typing where applicable, along with routine veterinary care and ongoing evaluation of our breeding cats.

Kittens are raised with close attention to growth, development, cleanliness, socialization, and age-appropriate veterinary care before joining their new families.

OUR GOAL

Our goal is to produce healthy, well-socialized, beautiful kittens with excellent temperaments that can become cherished members of their families. We carefully plan our pairings with health, structure, coat quality, personality, and breed type in mind - never color alone.

We want every kitten to be matched with a home that understands the commitment of bringing home a lifelong companion. We value responsible placement, clear communication, and long-term support for our families.

CHANEL'S CATTERY

Healthy beginnings. Thoughtful pairings. Loving forever homes.

- Kitten availability, breed, color, gender, coat length, and ear type cannot be guaranteed.
- Families will be contacted when kittens become available that match or closely match their preferences.
- Current pet pricing: Scottish Straight - \$2,500; Scottish Fold - \$3,000. Final kitten pricing may vary depending on color, coat length, quality, and other individual characteristics.

- If you pass on an available kitten, your position may be transferred to a future litter according to availability and Chanel's Cattery's waitlist policies.
- The \$150 waitlist fee is non-refundable if you change your mind, purchase elsewhere, stop responding, decide not to proceed, or are unable to take an available kitten.
